- $\ensuremath{^+}$ You work to solve problems, not complain about them
- + Your shining, joyful attitude

How to strengthen this talent

- $\ensuremath{\mbox{+}}$ Focus on solutions when dealing with others, brainstorm with the team
- + Own how your great attitude positively influences others
- + Whenever possible be a positive role model

PEOPLE ACUMEN

What is a Talent Category?

- + Themes that define specific behaviors, thoughts and feelings are grouped into Talent Categories: Drives and Values, Work Style, People Acumen, Influence and Thought Process.
- + Your top 5 themes are aligned with one or more Talent Categories. How you accomplish work is, at the outset, driven through your top themes.
- + Remember: You will not have every theme in your top 5 and you may not have a top 5 theme in every Talent Category. This does not mean you don't have strength in those other themes and categories.
- + The Talent Card begins your strength development journey, encouraging you to focus on your talents: those areas where you can develop the most and truly enjoy the process.

People Acumen

Reveals the extent, depth and impact of a person's interactions in both positive and negative settings.

Drives & Values

Describes a person's motivation to develop their potential and set high expectations for themselves. This group also reflects the personal principles by which they live and work.

Work Style

Addresses how a person carries out their job responsibilities. Factors considered include their energy level, ability to set priorities and capacity to plan what needs to be achieved in order to meet expectations.

Thought Process

Describes how an individual learns through new experiences and applies the knowledge gained in different situations. This group also explains a person's talent for developing innovative ideas and creative solutions to problems.

Influence

Defines the manner in which a person gets others to do something, buy something or work toward a common goal
